Deepening the Experience of
Heart and Soul in the World

Remember your Purpose... Live your Dream... Empower your Life...

A New Year's Message from Spirit

Living on the Edge A New Year's Message from Spirit

When we begin a New Year, our intentions are High and our inner critic is pondering the landscape, wondering if we will be able to live the fullness of these intentions.

This year the landscape is precarious as we travel through the birthing canal of our heart. The world is standing on a precipice and each of you is standing on a precipice. This is not good or bad or indifferent, this is the Truth of where we are in the experience of our evolution as spiritual beings. We are on the edge, standing between the cross of our former actions and the power of our "future" intentions.

Join the Field Experiment

Join the Field Experiment On January 17th!

Many of us are "Soul Whisperers." We bring the intention for peace into the world and endeavor to unify with nature, with spirit, and with the hearts of others. We know that our souls create a wave of light and love that foundation a field that can be shared.

In this experiment we are co-creating an intention, joining our souls, and creating a wave of peace and love to enfold the earth!

Upcoming Classes

A Year-Long Forum for Living Your Potential

Each of us has a plan that is very well designed, because we devised it ourselves!

We have all come to set in motion this design, which encompasses the world and creates more Order, Light, Truth and Union.

This forum is designed to assist you in more fully acknowledging your part and understanding your next steps toward action and involvement.

The *Ones With No Names* will provide you with personal information and guidance in how to actualize your potential and clarify your 'Action Steps' so that you move into the fullest expression of your purpose with ease and grace!

A New Book About Soul Recognition

Add Your Experience for Our Book on Soul Recognition!

Our new book will be entitled: "The Journey of Remembrance: Recognizing Our Soul's Presence."

If you have experienced a *Soul Recognition*, we would love to hear about your journey and add your experience for inclusion in our forthcoming book.

Please email your submissions to **Flo Aeveia**. We would love to receive them over the winter, edit the book in the spring and publish in the summer.

Hearts of the Village

Wherever you are and whatever you face, a power within you awaits expression!

You have within you the wise spark of vital life force that guides us all. That spark guides you to act in your world in a way only you can do. And because it is part of a larger plan that includes everyone, you find that your actions fit into a larger design that supports others, too!

If you have the thought - the world is ready.
If you have the urgency, it's time!
