Our community gathers to experience and transcend our human challenges together.
We accept our humanity, individually and collectively, and through
the entry point of our souls find our True place here on Earth and
Our Place in the Tribe.

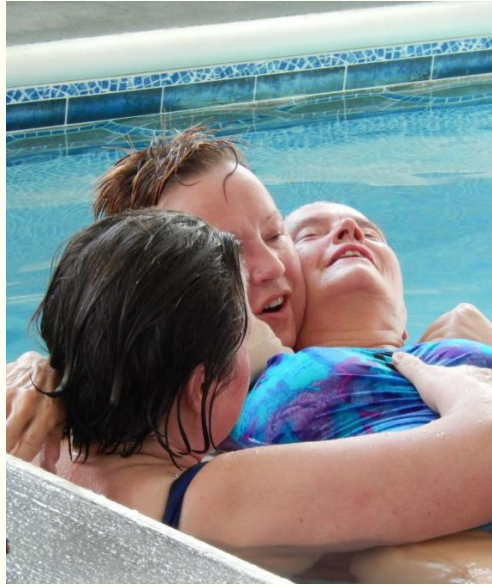

From the Lineage of Mary Magdalene, Soul Recognition opens us to Remember that
we are Divine Beings living here to bring the promise of Light and Union.

This deep and ancient work births us into a higher state of consciousness that expands
our heart, body and soul to hold a greater charge of energy and light.

You will be guided through Whole Body Integration experiences using tools
that offer mastery in living your multi-dimensional self every day.

You will more fully recognize who you are, why you are here, and align with

and anchor the energy, purpose and blueprint of your soul in your body.

The food offered from Angel's Rest is organic meat & vegetarian and delicious!

An all inclusive, sliding fee of \$1200.00-\$1800.00 is due by April 20, 2018 with a prior deposit option of \$500.00 to hold your place.
Payment by credit card is through our website.
