## Co-creating the New Earth

### Join Our TEAM to Co-Create the New Earth on March 14th!

We go forward to again acknowledge the celebration happening in the Mother Earth's core—the joyful co-creation of the New Earth. It is time to join our hearts with the heart of the Mother. It is time to open and receive the messages from all levels and dimensions, that afford us the opportunity to create a wave of light together to enfold the planet.

The wave of light is the critical mass we have heard about for so long. Come and hold this with us. It is a way to balance the duality and affirm the union—a way to live the remembering.

## CureCall for Cancer-March 20th

### Asking Spirit about Cancer

Many of us have had the experience of seeing our beloveds make their transition from a diagnosis of cancer.

I am profoundly moved to ask for guidance from spirit about this and to ask

them to offer suggestions, recommendations, and clarifications about this process of illness and dying.

If you would like to join me in receiving this message, please click below to access the information for a Zoom call that will be held on March 20th. There is no fee for this call, however, a donation to our non-profit, Soul Support Systems, would be appreciated.
