

A *HeartThread* Experience

with the Founder of *HeartThread*, *Flo Magdalena* and Facilitators

HeartThread is a powerful way to release old patterns and conditioning from the cells of the body and the mind. This opens more space for light and changes the old ways of seeing yourself and your story. Discover the truth of your essence and how to live from the heart. There is no processing and the mind is not involved.

Join Us!

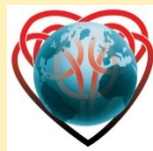

Venue: Alchemists

Stony Point Fashion Park
9200 Stony Point Parkway
Richmond, VA 23235

Time/Date:

6:30-9:00 PM on January 20th, 2019

The Essence of *HeartThread* is:

I see you. I remember you.

I love you. I connect with you.
