

Désirée DeKlerk

Soul Support Facilitator in Soul Recognition, Circuitry Alignment, and the Accelerated Thinking Process

Désirée brings a wealth of wisdom and experience to her “Shape of Consciousness” practice. Having worked as a visual communicator with 30 years international training and lecturing experience, and consultant, she understands how people think and communicate and helps them open their channels to a greater wisdom, unfolding a natural transformation in uniting heart and mind. She believes we can all be the architect of the life we would truly love, and helps people dissolve limiting obstacles so they can manifest their dreams, inspirations and creations in a very practical way.

Désirée is a practitioner of the Natural and Esoteric Sciences and Metaphysics, having studied innumerable traditional and alternative healing modalities practiced today. She has taught and lectured globally – creating and presenting courses that ignite latent skills and talent in her students and mentored young women in business for the Australian Businesswomen’s Network.

Désirée synthesizes Science and Art with the principles of Sacred Geometry and teaches complex subjects simply, combining profound intuitive insight with great spaciousness and ease assisting her clients in shaping their consciousness.

Other Services: She has studied with Dr. John Demartini - creator of the Demartini Method, since 1996, as well as being a Certified Demartini Method Practitioner (first graduate group in Australia). She is among a handful of consultants certified to present the Breakthrough Experience worldwide. She has worked with Dr. Demartini at his The Breakthrough Experience and Training Programs, and conducted the Demartini Mentoring Programs. Also, Designs based in Sacred Geometry.
