

Jackie Jordan

Soul Support Facilitator in Soul Recognition, Teacher of HeartThread, Teacher of Circuitry Alignment and Facilitator of the Accelerated Thinking Process

Jackie is an intuitive healer and uses many healing techniques to move one's energy into balance. She is passionate about assisting people in finding their authentic selves and their own innate truth, which guides them in making life choices. This includes easing people through the transition of dying. Jackie has studied and facilitated at workshops in the UK, Australia, New Zealand, the Philippines, Egypt and much of the US.

Other Services: *Constellation Therapy:* Facilitates people's understanding of their soul agreements with themselves and others, thereby helping them release agreements that may be misguided or no longer serve their best interests. Areas include self-punishment, relationships, family dynamics and other life issues.

Sound Healing: This modality guides people in using their own sound for healing.
