

MaryAnn D'Ambrosio MBA, PhD

Soul RecognitionSM Facilitator

MaryAnn D'Ambrosio is energetically charged. After 30 plus years in the electric utility industry, MaryAnn made a bold and transformational move! She swapped a lifelong corporate career in the power industry for one where she sparks entrepreneurs, educators, business leaders and service professionals to leap without limits and land in a place where they will grow and prosper.

MaryAnn is also an energy healer, speaker, author, coach, and creator of Flashcards for the Soul™. She understands the fields of energy that connect us all, and she takes audiences and workshop participants through a process that instantly unites their personal strengths with their passion for success. An inspirational, engaging speaker, her seminars are at once thoughtful and thought provoking. The participants naturally awaken to a deeper understanding and a new way of approaching business and life that brings about elegant breakthroughs. Transmuting ah-ha moments into awareness is profound and under MaryAnn's guidance the nudges are soft; the results powerful and transformative!

MaryAnn is Founder & Chief Inspiration Officer at Leap Without Limits.
