

Rene Cornwell

Soul Support Facilitator in Soul Recognition, Teacher of HeartThread, Facilitator of the Accelerated Thinking Process, and Circuitry Alignment

Rene's deepest passion in life is to assist others in the self- discovery of their Divine nature, which draws him to the work of Soul Support Systems.

For more than 15 years Rene has been involved with the Science of Mind Church of Religious Science through the Sanctuary for Spiritual Living in Covina, California, and the Antelope Valley Center for Spiritual Living; a Religious Science Practitioner and a current board member. He works in the Aerospace industry.

Rene is dedicated to bringing forth the work of Soul Support Systems with the highest integrity and deepest love through his own soul's expression.
