

Jayn Stewart

Soul Support Facilitator of Soul RecognitionSM, Circuitry AlignmentSM, and HeartThreadSM.

Jayn is an educator and life coach who understands the joys and challenges of the human journey. She **assists people** in empowering their authentic self, living creatively, and following the guidance of their heart and soul. Each person has inherent wisdom and unique gifts, and as these become more apparent, individuals see their life's purpose more clearly. Jayn's coaching clients develop their abilities to live a balanced and healthy life, create strong relationships, meet life's challenges, and make choices in alignment with their true selves.

Other services:
