

DON JACOBS

Soul Support Systems Certified Facilitator of Soul Recognition & SSS Program Teacher

Don offers his experience and passion as a life-long educator within an integral approach to vibrant health. His extensive background includes experience in individual and group dynamics, intuitive knowledge and in-depth training of masculine-feminine energies (David Deida's work). Don enjoys teaching polarity as it applies to everyday Life (for 3 years), and training in Soul Recognition as a certified facilitator and SSS program teacher. He integrates these experiences into his work as a teacher and workshop facilitator.

Don's emerging passion is creating offerings via a Oneness perspective to balance/integrate our energies. His continuing passion is living into walking the 'Divine Masculine' in each moment, personally, and offering that guidance in a variety of ways.

Keep an eye out for the upcoming offering around *Unifying our Masculine and Feminine Energies!*
