

LeAndra Shepherd

Soul Recognition, and HeartThread Facilitator-in-Training

LeAndra has been interested in the metaphysical world for decades. Having been a professional hair stylist for over 35 years (her friends say they look forward to having their crown chakras adjusted), LeAndra is intent on bringing beauty and empowerment to everyone.

A certified yoga instructor and reiki master, LeAndra uses these modalities to help individuals find their own strength as she teaches and treats in private and public settings.

LeAndra is also ordained in the *Melchezidek* priesthood; has studied and worked with *Angel Therapy, Theta healing, Laho-Chi, Quantum Touch* and more.

Her private mountain home provides sanctuary for retreats, healing sessions and respite. LeAndra's intention is that those with whom she works will come to recognize their own true Divinity.
