Nancy has been actively involved with Soul Support Systems since 2002 where she delights in serving as a facilitator for both Soul Recognition and HeartThread.

International in scope, Nancy's work began at age 19. She has enjoyed a lifetime of international travel which has taken her to 55+ countries. From 2007-2019 she served as founder and president of Rwandan Hugs which provided over \$1 million in assistance to genocide survivors, students, and impoverished families to improve health, support education, and provide sustainable agriculture. Nancy has been married to the love of her life, Les Strachan, a Scotsman, since 1973. After serving as a professional librarian in the US and Germany for 16 years she and her husband launched a jewelry, book, and antique business, "Shiny Stuff", which includes a niche jewelry line ([www.teapotjewelry.com](http://www.teapotjewelry.com)). Recently Nancy was honored as a Paul Harris Fellow by Rotary International for her service to her community and the world. Her joy is supporting people as they evolve and awaken to their highest potential!
